

Watershed-Wide Stormwater Strategy Workshop

Workshop #1 | May 4, 2016 | 9 a.m. to 4 p.m.

Tukwila Community Center

WORKSHOP GOALS

- Launch the Green/Duwamish watershed-wide stormwater strategy workshop series
- Understand current conditions and the state of water quality as related to stormwater in the watershed
- Understand and acknowledge the extent of work that is being done for stormwater management, and identify gaps and opportunities that exist
- Collectively determine what we'd like future environmental conditions to be in the watershed as related to stormwater
- Determine watershed-wide stormwater strategy preliminary targets of success

TIME	ITEM (Facilitator: Sarah Ogier, King County Department of Natural Resources)
9:00 AM	<b>Welcome</b> <ul style="list-style-type: none"> <li>- Christie True, Director, King County Department of Natural Resources</li> <li>- Josh Baldi, Regional Director, Washington State Department of Ecology</li> <li>- Judi Gladstone, Corporate Policy Director, Seattle Public Utilities</li> </ul>
9:10 AM	<b>Introductions &amp; Ice-Breaker</b> - What are you or your organization hoping to accomplish with a watershed-wide stormwater strategy?
9:40 AM	<b>Our Green/Duwamish Background and Stormwater Strategy Approach</b> <ul style="list-style-type: none"> <li>- Heidi Kandathil, King County Department of Natural Resources</li> </ul>
9:55 AM	<b>Current State of Conditions in the Watershed Related to Stormwater</b> <ul style="list-style-type: none"> <li>- Jim Simmonds, King County Department of Natural Resources</li> </ul>
10:40 AM	<b>BREAK</b>
10:50 AM	<b>Stormwater Management Activities in the Watershed</b> <ul style="list-style-type: none"> <li>• Panel Discussion: Current Stormwater Management Actions <ul style="list-style-type: none"> <li>o Futurewise: Heather Trim</li> <li>o The Boeing Company: Brian Anderson</li> <li>o City of Kent: Shawn Gilbertson</li> <li>o King County: Doug Navetski</li> </ul> </li> <li>• Small Group Activity: Identification of stormwater management activities, programs, techniques occurring</li> </ul>
12:20 PM	<b>Lunch &amp; Networking</b>
1:00 PM	<b>Overview of Stormwater Regulation &amp; Existing Permit Requirements</b> <ul style="list-style-type: none"> <li>- Rachel McCrea, Washington State Department of Ecology</li> </ul>
1:40 PM	<b>Gaps/Opportunities in Stormwater Management in the Watershed</b> (small group activity)
2:30 PM	<b>BREAK</b>
2:45 PM	<b>What is Our Collective Vision for a G/D Watershed-Wide Strategy?</b> -Discussion
3:30 PM	<b>Potential Targets to Measure Success of a Watershed Stormwater Strategy</b> - Discussion
3:50 PM	<b>Closing and Next Steps</b>

\*\*Lunch and refreshments will be offered

**Watershed-Wide Stormwater Strategy Workshop**

Workshop #2 | June 28, 2016 | 9:00 a.m. to 2:30 p.m.

Green River Community College at Kent Campus

**WORKSHOP GOALS**

- Review results from Workshop #1
  - a. Hopes and vision for a watershed-wide stormwater management strategy
  - b. Current activities in stormwater management
  - c. Gaps & opportunities in stormwater management
- Confirm vision and goals for a watershed-wide stormwater strategy
- Identify a comprehensive list of stormwater management actions
- Setting a measure of success for watershed-wide stormwater management

TIME	ITEM (Facilitator: Sarah Ogier, King County Department of Natural Resources & Parks)
9:00 AM	<b>Welcome</b> - Christie True, Director, King County Department of Natural Resources (KC DNRP)
9:10 AM	<b>Agenda, Introductions, Workshop Goals</b>
9:25 AM	<b>Workshop # 1 Results &amp; Discussion</b> - Presentation (Heidi Kandathil, KC DNRP) - Hopes & vision - Current activities - Gaps & opportunities  <b>Confirm Vision and Goals</b>
10:30 AM	<b>BREAK</b>
10:40 AM	<b>Development of Watershed Stormwater Management Actions</b> - Presentation (Todd Hunsdorfer, King County Water and Land Resources Division) - Small group discussion and report back - Larger group discussion - Dot exercise
12:00 PM	<b>Lunch &amp; Networking</b>
1:00 PM	<b>Vision to Outcome: Setting a Measure of Success for the G/D Stormwater Management Strategy</b> - Presentation (Sandy Kilroy, KC DNRP) - Small group discussion and report back - Larger group discussion
2:25 PM	<b>Schedule, Next Steps &amp; Closing</b>

*\*\*Lunch and refreshments will be offered*

Watershed-Wide Stormwater Strategy Workshop

Workshop #3 | September 15, 2016 | 9:00 a.m. to 2:30 p.m.

King County International Airport – Arrivals Lobby

(7299 Perimeter Rd S | Seattle | WA 98108)

WORKSHOP GOALS

- Report progress made since launch of stormwater strategy
- Develop prioritization criteria for identified watershed-scale stormwater actions
- Analyze and strengthen watershed-scale stormwater actions
- Explore coalition/organizational structures for the watershed-wide stormwater strategy

TIME	ITEM (Facilitator: Sarah Ogier, King County Department of Natural Resources & Parks)
9:00 AM	<b>Welcome</b> <ul style="list-style-type: none"> <li>- Christie True, Director, King County Department of Natural Resources (KC DNRP)</li> <li>- Josh Baldi, Director, Department of Ecology, Northwest Regional Office</li> </ul>
9:05AM	<b>Agenda, Introductions, Workshop Goals</b>
9:20 AM	<b>Progress to Date</b> <ul style="list-style-type: none"> <li>- Scope of project</li> <li>- Vision, mission &amp; goals feedback survey results</li> <li>- Status of measures of progress</li> <li>- Analysis of current activities, gaps &amp; opportunities</li> </ul>
9:45 AM	<b>Development of Stormwater Management Action Prioritization Criteria</b> <ul style="list-style-type: none"> <li>- Present draft prioritization criteria</li> <li>- Draft criteria for prioritizing (small group activity &amp; report back)</li> </ul>
10:30 AM	<b>Break</b>
10:40 AM	<b>Assessment of Watershed Stormwater Management Actions</b> <ul style="list-style-type: none"> <li>- Review preliminary prioritization of new actions from Workshop #2</li> <li>- Evaluation &amp; enhancement of identified actions (small group activity &amp; report back)</li> </ul>
12:15 PM	<b>Lunch</b>
1:00 PM	<b>Exploring Coalition/Organizational Structures in the Green/Duwamish Watershed</b> <ul style="list-style-type: none"> <li>- Presentations (10 min each) <ul style="list-style-type: none"> <li>o WRIA 9 – Elissa Ostergaard, WRIA 9 Salmon Recovery Team</li> <li>o Spokane River Regional Toxics Task Force – Chris Page, William D. Ruckelshaus Center</li> <li>o Stormwater Work Group – Jim Simmonds, KC DNRP</li> <li>o Puyallup-White Initiative –Fabiola Greenawalt, The Russell Family Foundation</li> </ul> </li> <li>- Characteristics of coalition/organizational structure (small group activity &amp; report back)</li> </ul>
2:20 PM	<b>Schedule, Next Steps &amp; Closing</b>

*\*\*Lunch and refreshments will be offered*
